Notice to Investigators

Announcing On-Line Estates of Deceased Persons Data Update: Friday, May 9, 2014

The Unclaimed Property Division (UPD) is pleased to announce an update for the Estates of Deceased Persons Data. **The Estates of Deceased Persons Data is no longer available on CD-ROM for purchase.** This file is available for download and will be updated with the most current information on Friday, May 9, 2014. The Estates of Deceased Persons file contains estates of deceased persons remitted to the State of California pursuant to Probate Code and CCP section 1300 et.seq. The Estates of Deceased Persons File displays these properties indexed by the following four categories: The State of California's Property ID Number, decedent's name, reported heir(s) and the property's available balance.

To access the file go to http://www.sco.ca.gov/upd_msg.html. Locate the box shown below located on the left side of the page.
